

"Parc du Pilat" leisure cycling holiday in the Rhône-Alpes

7 days / 6 nights

A week's cycling itinerary to discover the diversity of the countryside within the natural park of Pilat: prestigious vineyards (Côte Rôtie, St Joseph, Condrieu), orchards, rolling hills, high plateaux and thick forests. Discover picturesque villages and local produce. A fairly unexplored region of the Rhône-Alpes is waiting to be enjoyed!

A holiday far from big hotels. Instead you will be given a warm and sincere welcome by your hosts in small chambres d'hôtes. All of the accommodation used is part of "Relais Vélo", which means you will be welcomed with your bicycle, and should have access to a garage, a repair area and some advice.
